

PRESIDENT'S REPORT
APRIL 2009

On Sunday April 5, 2009 we celebrated our twelfth annual Awards Banquet by recognizing 39 high school and 7 college senior student athletes with commemorative plaques and awarded \$12,000.00 in scholarships.

Temple Head Football Coach Al Golden was our featured speaker and delivered a fantastic, uplifting and motivational message to the young athletes.

Special thanks and special recognition to the Board of Directors, each having made significant contributions to the overall success of the event.

The National office of the National Football Foundation is being made aware of the exemplary work and accomplishments of our chapter. Please go to the website of the national organization for verification....*footballfoundation.com*

February and March were highlighted by two well attended dinner-meetings which were open to our entire membership and who, in turn, invited a large number of friends and colleagues.

The February event featured two members of the PS football staff (Brad Caldwell and Kirk Diehl) talking about the “ behind the scenes“ activities necessary to prepare the team for the Rose Bowl.....it was extremely informative and entertaining.

The March event featured Coach Mike McQueary discussing the recruiting process.

Both events were well attended, well received and resulted in a significant number of new members to the organization.

Our current plans are to sponsor four similar events throughout the year.

We encourage you to continue to use this website for information on future events and look forward to seeing all of our members at our next dinner-meeting which will take place sometime in October.
